

**SAVE THE INSECTS!**

CD Track 4, pp. 6-7

**LISTENING COMPREHENSION**

Listen to a recording about endangered animals. What things are the people talking about when they say the following?

- 1 Well, that's a good point. That's what we should be doing.
- 2 Wildlife charities have done a lot of work to help protect them.
- 3 They eat anything, and there are billions of them.
- 4 They might not be as cute as pandas, but they are a lot more important.
- 5 Have you seen that video of them playing in the snow?

**APOLLO 13 AND HOLLYWOOD**
